**C&L Ward Announces Partnership with One Day Doors & Closets**  
***Brings innovative interior doors and closet systems to Detroit and Flint Markets***

**January 27, 2017 (Davison, MI)** - C&L Ward has announced the arrival of One Day Doors & Closets to their product line up and has become Michigan's only authorized dealer for these innovative closet and interior door systems. C&L Ward, known for quality exterior home improvement and the remodeling of windows, siding, roofing, front and patio doors and decking, is expanding their expertise to help the homeowner update the inside of their home. These unique doors are digitally cut to the existing door frame without replacing and removing trim or frames. They are distinctively designed and durably painted to improve the interior look to a home. On installation day, the project usually takes 4 hours or less. In addition, they are now able to renovate master walk-in closets, bedroom closets, pantries, laundry rooms, garages and entertainment centers with the exclusive line of home organization systems. There are many different colors and hundreds of accessories available to help those in need get organized this year.

"Replacing your interior doors, closet doors and closet organizers has never been easier or more affordable," said Patrick Ward, C&L Ward's president. "We have become an authorized dealer of One Day Doors & Closets because of the advanced 3D scanning technology makes it possible to replace your doors and closets for about 50% less than other places." Ward continued, "Bringing this product and technology to Michigan has been very exciting for us and for our clients. These new products allow us to better serve our clients by beautifying the inside of their homes. The really cool thing is that our installation team is in and out in less than 4 hours with very little intrusion to the clients' daily life. It's the best 'whole home improvement' you can make, for the cost, turnaround time, and the overall improvement throughout your home."

The One Day Doors & Closets company, based in southern California, is growing at a rapid pace. They are opening several new dealerships this year, including the one based here in Michigan. C&L Ward is launching these new product lines at the Novi Winter Home Improvement show this weekend, January 27th-29th at the Suburban Collection Showcase at 46100 Grand River Avenue in Novi, MI. Their booth number is 344.
