The GAF Lifetime Roofing System
Because A New Roof Is More Than Just Shingles—Page 2

gaf.com
More Than Just Coverage On Your Shingles!

GET AUTOMATIC LIFETIME PROTECTION ON YOUR ENTIRE GAF ROOFING SYSTEM!*†

A new roof is more than just shingles. When you install any GAF Lifetime Shingle and at least 3 qualifying accessories, you’ll automatically get a lifetime ltd. warranty on your shingles and all qualifying GAF accessories.† Why settle for anything less?

GAF offers you many great Lifetime Shingle choices, including Timberline® Shingles with Advanced Protection® Shingle Technology. They’re the #1-selling shingles in North America!

Advanced Protection® Shingle Technology results in superior protection for your home while reducing the use of precious natural resources. That’s better for your home—and better for the environment!

To learn more about why Advanced Protection® Shingles are your best choice, visit gaf.com/aps.

LIFETIME SHINGLES

Cobra® Attic Ventilation

Helps remove excess heat and moisture from your attic while providing an exceptionally strong layer of protection against wind-driven rain. Also, less flatter for a better-looking roof.

Roof Deck Protection

Allows moisture to escape from your attic, helps reduce the risk of blow-off...and may even help qualify for upgraded wind warranty coverage (see GAF Shingle & Accessory Ltd. Warranty† for details).

Leak Barrier

Provides exceptional protection against leaks caused by roof settling and extreme weather.

Starter Strip Shingles

Saves time, eliminates waste, and reduces the risk of blow-off, and may even help qualify for upgraded wind warranty coverage (see GAF Shingle & Accessory Ltd. Warranty† for details).

Ridge Cap Shingles

Enhances the beauty of your home while guarding against leaks at the hips and ridges.

*In the North, building codes require the use of Leak Barrier at the eaves.
†See GAF Shingle & Accessory Ltd. Warranty for complete coverage and restrictions. This word “Lifetime” means as long as the original individual owner(s) of a single-family detached residence (or the second owner(s) in certain circumstances) owns the property within the original warranty area. This warranty on accessories requires the use of at least 3 qualifying GAF accessories and the use of Lifetime Shingles.
Choosing The Right Lifetime Shingle

If you’re looking for a new roof, rest assured you’ve come to the right place. Not only do most GAF shingles offer a Lifetime Ltd. warranty* for peace of mind, but GAF’s vast shingle offering means you’re virtually certain to find the right combination of style, color, and price to suit your taste.

Transform Your Home With GAF’s Lifetime Designer Shingles!

Maximizing your property’s “visual appeal” with a Lifetime Designer Shingle from GAF can be exciting, fun—and a smart investment.

Designer Style...

Whatever your preference, GAF’s Lifetime Designer Shingles have become “the choice” of discriminating property owners, designers, and architects. Our wide range of design choices includes shingles that emulate the rich look of natural materials like wood and slate.

Peace Of Mind...

GAF’s Lifetime Designer Shingles far exceed industry performance standards—so it’s no surprise that they include exceptional warranty protection. Every GAF Lifetime Designer Shingle is backed by a Lifetime Ltd. warranty, plus StainGuard® Protection (non-prorated material and installation labor coverage) for the first ten years and 130 mph (209 km/h) wind coverage.*

Two Options To Fit Your Budget...

- Ultra-Premium Collection—Gives you the thickest, most dimensional look for your roof.
- Value Collection—Gives you a designer look for just pennies (non-prorated material and installation labor coverage) for the first ten years.

Stays In Place...

- Dura Grip™ Adhesive—Gives you a perfect finishing touch.

StainGuard® Protection...

- Helps ensure the beauty of your roof against unsightly blue-green algae**

Now you can have the beauty and style of designer roofing—but at an incredibly affordable price. GAF’s Value Collection Lifetime Designer Shingles offer an exceptionally wide array of designer styles and colors, but at prices only slightly more than a standard architectural shingle.

Value Collection Lifetime Designer Shingles

Now you can have the beauty and style of designer roofing—but at an incredibly affordable price. GAF’s Value Collection Lifetime Designer Shingles offer an exceptionally wide array of designer styles and colors, but at prices only slightly more than a standard architectural shingle.

Timberline® Lifetime Shingles

Timberline® Shingles are the #1-selling shingles in North America. They offer the very best combination of performance and value that you can get for your home. Choose from High Definition®, Natural Shadow®, or American Harvest® Shingles, the newest addition to the Timberline® family.

Specialty Lifetime Shingles

GAF offers shingles with special features, including our Timberline® Cool Series Shingles, which are ENERGY STAR® qualified (U.S. only), and our Grand Sequoia® IR Shingles and Timberline® AmoShield® II Shingles, which are Class IV impact resistant.

* See footnote on next page

All Of GAF’s Lifetime Designer Shingles Offer You These Great Benefits:

- Affordable Luxury—GAF lifetime Designer Shingles are only a fraction of the cost of traditional slate or wood shakes.
- Sophisticated Designs—Artisan-crafted shapes combined with dimensional designs result in a sophisticated beauty unmatched by typical shingles.
- Custom Color Palettes—Specially formulated color palettes are designed to accentuate each shingle’s natural appeal.
- High Performance—Designed with Advanced Protection™ Shingle Technology, which reduces the use of natural resources while providing superior protection for your home (visit gaf.com/aps to learn more).
- StainGuard® Protection—Helps ensure the beauty of your roof against unsightly blue-green algae**
- Highest Fire Rating—Class A Fire rating from Underwriters Laboratories.
- Stays In Place—Dura Grip™ Adhesive seals each shingle tightly and reduces the risk of shingle blowoff. Shingles warranted to withstand winds up to 130 mph (209 km/h)!
- The Ultimate Peace Of Mind—Lifetime Ltd. transferable warranty with Smart Choice® Protection (non-prorated material and installation labor coverage) for the first ten years.
- Perfect Finishing Touch—Use Timberline® Premium Ridge Cap Shingles or Ridglass® Premium Ridge Cap Shingles.††
“With its ultra-dimensional slate-like design, Camelot® may be the most beautiful and artistic asphalt shingle ever made!”

"There’s nothing quite like a genuine Timberline® High Definition® roof!"

Your roof can represent up to 40% of your home’s “curb appeal.” Now, you can improve its resale value with Timberline® High Definition® Shingles from GAF.

Timberline® Shingles with Advanced Protection® Shingle Technology are the #1-selling shingles in all of North America. Professional installers have long preferred the rugged, dependable performance that only a Timberline® roof can offer.

But great performance is only half the story. Timberline® High Definition® Shingles not only protect your most valuable asset but also beautify your home for years to come. In fact, an independent research firm surveyed U.S. homeowners about the brand of architectural shingles they preferred. The result: more homeowners preferred the look of Timberline® High Definition® Shingles to the other leading brands!*

Why settle for anything less?

*Based on a 2010 survey of U.S. Homeowners conducted in Ohio and Georgia and commissioned by GAF.
"Your Best Investment For An Ultra-Dimensional Wood-Shake Look"

Value And Performance In A Genuine Wood-Shake Look

for HOMEOWNERS

• **Best Investment...** Just pennies-a-day more than standard architectural shingles.¹

• **Ultra-Dimensional Look...** Up to 53% thicker;¹ Timberline Ultra HD® Shingles feature GAF’s proprietary color blends and enhanced shadow effect for an ultra-dimensional wood-shake look on your roof.

• **Highest Fire Rating...** Class A fire rating from Underwriters Laboratories.

• **High Performance...** Designed with Advanced Projection® Shingle Technology, which reduces the use of natural resources while providing superior protection for your home (visit gaf.com/aps to learn more).

• **Stay In Place...** Dura Grip™ Adhesive seals each shingle tightly and reduces the risk of shingle blow-off. Shingles are warranted to withstand winds up to 130 mph (209 km/h).²

• **Peace Of Mind...** Lifetime ltd. transferable warranty with Smart Choice® Protection (non-prorated material and installation labor coverage) for the first ten years.³

• **Perfect Finishing Touch...** Use Timbertex® Premium Ridge Cap Shingles or Ridglass® Premium Ridge Cap Shingles.⁴

for PROFESSIONALS

• **More Referrals...** People will know that you’re installing America’s #1-selling laminated shingles!

• **Less Chance of Call-Backs...** Durable, wind-resistant shingles carry 130 mph (209 km/h) ltd. wind coverage!¹

• **Perfect Finishing Touch...** Use Timbertex® Premium Ridge Cap Shingles or Ridglass® Premium Ridge Cap Shingles.³

for HOMEOWNERS

• **Great Value...** Architecturally stylish but practically priced—with a Lifetime ltd. warranty.

• **Dimensional Look...** Features GAF’s proprietary color blends and enhanced shadow effect for a genuine wood-shake look.

• **Highest Fire Rating...** Class A fire rating from Underwriters Laboratories.

• **High Performance...** Designed with Advanced Projection® Shingle Technology, which reduces the use of natural resources while providing superior protection for your home (visit gaf.com/aps to learn more).

• **Stay In Place...** Dura Grip™ Adhesive seals each shingle tightly and reduces the risk of shingle blow-off. Shingles are warranted to withstand winds up to 130 mph (209 km/h).³

• **Peace Of Mind...** Lifetime ltd. transferable warranty with Smart Choice® Protection (non-prorated material and installation labor coverage) for the first ten years.²

• **Perfect Finishing Touch...** Use Timbertex® Premium Ridge Cap Shingles or Ridglass® Premium Ridge Cap Shingles.⁴

¹ Note: Comparison refers to Timberline HD® Shingles. Thickness varies by plant; see actual shingles for comparison.

² This wind speed coverage requires special installation; see GAF Shingle & Accessory Ltd. Warranty for complete coverage and restrictions. The word “Lifetime” means as long as the original individual owner(s) of a single-family detached residence [or the second owner(s) in certain circumstances] owns the property where the shingles are installed. For owners/structures not meeting the above criteria, Lifetime coverage is not applicable.

³ See GAF Shingle & Accessory Ltd. Warranty for complete coverage and restrictions. The word “Lifetime” means as long as the original individual owner(s) of a single-family detached residence [or the second owner(s) in certain circumstances] owns the property where the shingles are installed. For owners/structures not meeting the above criteria, Lifetime coverage is not applicable.

⁴ Timbertex® Premium Ridge Cap Shingles are available only in the Western Areas of both the U.S. and Canada; they are not available for Camelot® Shingles or Slateline® Shingles.

We can help you choose the right shingle for your roof!

Try GAF’s Virtual Home Remodeler at gaf.com. Visualize GAF shingles on a house like yours—or upload and decorate your own house. Try different siding, trim, and brick colors. It’s fun!
Now get potential energy and cost savings when you install GAF Timberline® Cool Series Shingles

The revolutionary Timberline® Cool Series Shingles reflect sunlight to reduce unwanted attic heat buildup—to save energy, they are rated by the Cool Roof Rating Council (CRRC) and are ENERGY STAR® qualified (U.S. only).1-2

• Helps Reduce Energy Cooling Costs.... Cool roofs may save you an average of 7-15% on your total cooling costs, depending on geography, season, and property.

• Rebates... Some utility companies and municipalities may offer rebate incentives for installing a cool roof.1

Timberline® Cool Series Shingles are stocked in Fontana, CA, and Shafter, CA, and are special order in other locations.

More information, the product, and all sales can be found at your local GAF sales center or your nearest GAF authorized contractor. For more information, contact GAF Technical Services at 1-800-ROOF-411, visit gaf.com, or call 1-888-STAR-YES.

Note: It is difficult to reproduce the color clarity and actual color blends of the shingles in this catalog. Before selecting your color, please ask to see several full-size shingles.

Impact-Resistant Shingles

Get Potential Insurance Savings And Extra Protection For Your Most Valuable Asset!

• Potential Insurance Savings... Passes UL 2218 Class 4, and may qualify for insurance discounts.

• Excellent Wind Performance... Shingles are warranted to withstand maximum wind gusts of up to 130 mph (209 km/h)*

• Peace Of Mind... Lifetime hail transferable warranty with Smart Choice® Protection for the first ten years**

• Exceptional Protection... Design includes an SBS modified asphalt formula for rubber-like flexibility and maximum impact resistance

• Ridge Cap Shingles... Use our Seal-A-Ridge® IR Impact-Resistant Ridge Cap Shingles, UL 2218 Class 4 Ridge Cap Shingles. They're a unique color match to GAF Impact-Resistant Shingles.

Note: Always use complementary GAF StarterMatch™ Starter Strip when installing Grand Sequoia® IR Impact-Resistant Shingles.

GAF IR Shingles meet the highest impact-resistance rating...

The UL 2218 Impact Test was developed in conjunction with insurance industry leaders. It’s based on dropping a 2” (51 mm) steel ball from 20’ (6 m) onto the top of a shingle to see whether the shingle cracks (see illustration below). GAF IR Shingles pass Class 4—the highest rating possible. Check with your insurance agent about potential savings on your homeowners insurance!

LTD. WARRANTY TERM

Note: It is difficult to reproduce the color clarity and actual color blends of the shingles in this catalog. Before selecting your color, please ask to see several full-size shingles.
**Deck Armor™**

**Premium Breathable Roof Deck Protection**

- Revolutionary “Breathable” Technology... Helps prevent inside moisture from becoming trapped within your roofing system—and possibly causing mold, mildew, and expensive structural damage.
- Safer for Installers... Specially designed surface helps provide excellent walkability for installers versus conventional felts or typical synthetic underlayments.
- Premium Construction... Exceptionally durable, non-asphaltic construction will not rot or become brittle (like conventional asphaltic felts), which can disintegrate over time.
- Exceptionally Strong... At least 600% (i.e., 7 times) stronger than standard #30 felt.
- Looks Better... Unlike conventional asphaltic felts, Deck-Armor™ resists wrinkling or buckling, so it lets your shingles lie flatter for a better-looking roof.
- Peace of Mind... Up to a Lifetime ltd. warranty when installed on Lifetime Shingle roofs.
- Saves Later... Extra wide 54” (1.4 m) roll installs up to 50% faster than traditional 36” (914 mm) wide felts.
- Cooler to Work With... Light-blue surface is cooler in hot weather than conventional black felts.
- Lightweight... Nearly 1/3 the weight of a roll of 450 felt.
- Easier to Cut... Custom-bound design is easier to cut than some other synthetic products.

**SPECIFICATIONS**

- UV-stabilized polypropylene construction resists UV degradation for up to 180 days.
- Meets or exceeds the physical requirements of ASTM D226 and D4869.
- Meets or exceeds the physical requirements of Miami-Dade County and Florida Building Code approved.

**Note:** Always use plastic cap nails or staples with plastic caps to install Deck-Armor™ Roof Deck Protection.

---

**TigerPaw™**

**Roof Deck Protection (Available nationwide)**

- Safer for Installers... Specially designed surface helps provide excellent walkability for installers versus conventional felts or typical synthetic underlayments.
- Special Moisture-Control Design... Helps remove nearly twice as much damaging moisture from your roof deck as the leading synthetic non-breathable underlayments.
- Durable Construction... Non-asphaltic, polypropylene construction will not rot or become brittle (unlike conventional felts), which can disintegrate over time.
- Better-Looking Roof... TigerPaw™ Roof Deck Protection resists wrinkling and buckling that can "telegraph" through your roof shingles and detract from its finished appearance.
- Peace of Mind... Up to a Lifetime ltd. warranty when installed on Lifetime Shingle roofs.
- Deck-Side Coating... Anti-skid back coating helps improve walkability, while also helping to keep the roll stationary during installation.
- Stronger... Synthetic, non-woven construction provides at least 600% (i.e., 7 times) greater tear strength than standard #30 felt.
- Less Chance of Blow-Off... Up to 147% higher nail pull-through strength than #50 felt helps keep the product in place.
- Convenient Size... 10 square (1,000 ft² [92.9 m²]), 48” (1.22 m) wide roll installs up to 33% faster than conventional felts.
- Lightweight... At 40 lbs (18 kg), it’s approximately 33% lighter than a roll of 450 felt.
- Cooler to Work With... Light-grey surface is cooler in hot weather than conventional black felts.

**SPECIFICATIONS**

- UV-stabilized polypropylene construction resists UV degradation for up to 180 days.*
- Meets or exceeds the physical requirements of ASTM D226 and D4869.
- Meets or exceeds the physical requirements of Miami-Dade County and Florida Building Code approved.

**Note:** Always use plastic cap nails or staples with plastic caps to install TigerPaw™ Roof Deck Protection.

---

**VERSASHIELD™**

**Fire-Resistant Roof Deck Protection (Available across the U.S., not available in Canada)**

- The best protection against fire spread and penetration.
- Fiberglass reinforced, so it resists fire for a better-looking roof.
- Will upgrade the UL fire classification of almost any type of roof (UL Certification Directory for actual composite).
- Meets or exceeds ASTM E96, D226 Type II, D4869 Type II, D4757 Type II for UL.
- Meets or exceeds Miami-Dade County and Florida Building Code approved.

**SPECIFICATIONS**

- SBS-Modified All-Purpose Underlayment (Available in West only)
  - SBS-modified asphalt increases flexibility and provides longer-lasting durability, up to 40 years exposure if necessary.
  - Fiberglass reinforced, so it resists fire for a better-looking roof.
  - UL Classified for use with GAF Class A asphalt shingles
  - Meets or exceeds all physical properties of ASTM D226.
  - Up to a Lifetime ltd. warranty when installed on Lifetime Shingle roofs.
  - Approx. 2 squares (100 ft² [9.3 m²]); 100 linear ft (30.5 m); weight: 36 lbs (16 kg).
Cobra® Attic Ventilation

Choose From The Industry’s Most Comprehensive Line Of Ridge Vents!

Cobra® Ridge Vents...
- Provide superior attic ventilation when properly installed with eave or soffit vents
- Work along the length of the roof’s ridge to minimize temperature and equalize pressure inside the attic.
- Allow a four-foot flow of fresh air to reduce damaging heat and moisture
- Pass the 110 mph (177 km/h) wind-driven rain test (under controlled laboratory conditions)
- Up to a Lifetime ltd. warranty when installed on Lifetime Shingle roofs!
- Carry a UL Class C fire rating, except Cobra® Exhaust Vent For Roof Ridge, which is a UL Class A rating
- ICC Evaluation Report ESR-1265
- Miami-Dade County Approved
- Texas Department of Insurance
- Include the EasyTear™ Sizing System, which allows you to hand-tear the vents in regular increments (except Cobra® Exhaust Vent For Roof Ridge)

Property Owner's Best Choice...
- Lets The Beauty Of Your Home Stand Out...
- Low profile design keeps Cobra® Ridge Vents virtually invisible when installed—to maintain an “uncluttered” look on your roof
- Superior Construction...
- All rigid-style Cobra® Vents are made with UV stable, high-impact co-polymers. Cobra® Roll-style Vent is made from UB stable, 100% recycled polyester composite fiber
- Insect Guard...
- Helps prevent problems with insects, birds, and animal infestation
- Energy Efficient...
- May even help to reduce utility usage
- Integral Filter...
- Helps resist snow infiltration in harsh winter climates (Cobra® Snow Country, Cobra® Snow Country Advanced, and Cobra® Ridge Runner®—Exhaust Vents only)
- Cap Shingle Compatible...
- Options available for metric, 12” (305 mm), 11.25” (285.75 mm), and 10” (254 mm) with ridge cap shingles.

New!

Cobra® HIPVENT Exhaust Vent for Hip Roofs
- Provides a safe and effective attic ventilation solution for roofs with little or no ridge
- Product Specifications (12” x 6” x 1.25” (3.7 m x 152 mm x 31.8 mm), NFA: 9 in² (58 cm²) for flat roofs. Consult manufacturer for all included options.

Also Available:

Cobra® FASCIAFLOW Premium Intake Ventilation
- Makes it easy to install intake ventilation on tough-to-vent homes by replacing existing fascia board
- Product Specifications (15.45” x 8” x 1.25” (393 mm x 82 mm x 31.8 mm), NFA: 11 in² (70 cm²) for flat roofs. Consult manufacturer for all included options.

Waterproof Leak Barriers

“Protect Your Investment And Safeguard Vulnerable Areas”

- Protect Your Property...
- Help prevent wind-driven rain from leaking through the roof deck, or melting ice and snow caused by ice dams in harsh winter climates. From leaking into property’s interior.
- Add Exte Protection...
- In valleys and at eave and rake edges—the most leakage-prone areas of the roof. Strongly recommended for chimney areas like skylights, dormers, vent pipes, chimneys, and other flashing areas.
- Won’t Leak...
- Helps ensure a 100% watertight seal.
- Avoid Costly Repairs...
- Due to starting on interior walls and ceilings.
- Better Ape advice...
- Fiberglass reinforcement helps resist wrinkling and buckling—lies flatter under shingles.
- Save Labor...
- Snap-back release film gets off in sections, for faster installation and superior property owner value
- Peace Of Mind...
- Up to a Lifetime ltd. warranty when installed on Lifetime Shingles roofs†

GAF Lifetime Roofing System Accessories

GAF LIFETIME ROOFING SYSTEM ACCESSORIES

GAF Ridge Cap Shingles are designed to complement the color of your GAF laminated shingles. But some contractors cut costs by using tabs from a 20-year or 25-year 3-tab shingle as your ridge cap. To ensure the closest color consistency for your roof, ask your contractor to use genuine GAF Ridge Cap Shingles!

Ridge Cap Shingles

Fiberglass asphalt design
Available in 6" (152 mm) width
UL 790 Class A Fire rated
Meets ASTM D3161 Class A, ASTM D3018 Type I, and ASTM D3462

Attractive, Value-Priced Shingle Featuring GAF’s Well-Known Quality

THREE-TAB SHINGLES

PROVEN QUALITY

Over 10 billion Royal Sovereign® Shingles have been installed in North America—enough to circle the Earth more than 200 times if they were laid end to end!

ADVANCED PROTECTION® SHINGLE TECHNOLOGY

Reduces the use of precious natural resources while providing superior protection for your home (visit gaf.com/aps to learn more).

LOOKS GREAT

Color Lock™ ceramic firing process (similar to fine china) maintains true color longer.

STAYS IN PLACE

Passes the industry’s two toughest wind tests: ASTM’s 110 mph and 150 mph wind tests (under controlled laboratory conditions).

SUPERIOR PERFORMANCE

Extra-strong Micro Weave™ Core provides longer life and extended durability.

HIGHEST FIRE RATING

Class A fire rating from Underwriters Laboratories.

PEACE OF MIND

25-year ltd. transferable warranty with Smart Choice® Protection (non-prorated material and installation labor coverage) for the first five years.1

Seal Shingle & Accessory Ltd. Warranty for complete coverage and restrictions.

Choosing The Best-Looking Shingle For Your Home

Some people think all 3-tab shingles look pretty much alike. Not so! At GAF, we’ve gone to great pains to make Royal Sovereign® the most beautiful strip shingle you can install.

But don’t just take our word for it. GAF asked an independent research firm to survey homeowners about whose 3-tab shingles they preferred. The result: More homeowners preferred the look of Royal Sovereign® Shingles to the other leading brands!* And the #1 reason cited by homeowners for Royal Sovereign’s color blends:*

Here’s just a sampling of what these real homeowners said about Royal Sovereign® Shingles:

“...looks clean, looks classier.”

“Looks more natural [than the others] because of the colors.”

“...stands out better than the other ones, I like the color, it is brighter.”

“...stands out better than the other ones, I like the color, it is brighter.”

“It looks rich and very durable.”

* Based on a 2010 survey of homeowners conducted in Ohio and Georgia and commissioned by GAF.

1See GAF Shingle & Accessory Ltd. Warranty for complete coverage and restrictions.
**Power Vents**

Investing in a Master Flow® Roof Mount Power Vent increases the overall comfort of your home, and helps reduce the cost of air conditioning and wear on the system, minimizes heat/moisture damage to roof and attic, and helps fight mold and mildew. Master Flow® Power Ventilation features:
- UL Listed and Miami-Dade County approved (select models)
- Large flushing for easy installation
- Automatic thermostat, available with humidistat/humidistat control as an option
- Built-in thermal protection for safety

**Whole House Fans**

Master Flow® Whole House Fans help the property owner beat the heat and reduce air conditioning costs by forcing out hot air and bringing in cooler outside air.
- UL listed
- Ceiling shutter included
- Backed with 5- or 10-year lid warranties**

**Solar-Powered Vents**

The ultimate in energy-saving power vents, Master Flow® Green Machine™ EcoSmart Solar Vents use the sun’s energy to remove damaging heat and moisture from your attic.
- Equipped with brushless motors that require no maintenance
- 100% solar-powered models require no electrical wiring or electricians
- Unique dual-powered units run on house power at night or when the sun is not out and require 80% less electricity than conventional power vents (when running on house power)
- Miami-Dade County approved (select models)

**Fiber-Cement Siding**

The Master Flow® line offers one of the broadest assortments of “energy-free” products in the industry. Roof louvers, wall louvers, ridge vents, chimney caps, foundation vents, and roof jacks, all in a large assortment of materials and colors, to meet every need.
- Perfect Design… Virtually identical in size and shape to millions of old non-existent louvers, wall louvers, ridge vents, chimney caps, foundation vents, and roof jacks, all in a large assortment of materials and colors, to meet every need.
- Avoid Hassles & Expenses… No need to remove existing siding, mortar, or flashing. Just cut open to expose the Master Flow® line of “energy-free” products and attach to existing siding. Dual bearing turbines are: 9” (227 mm), 12” (305 mm), and 14” (357 mm) sizes
- Meets Code… Miami-Dade County approved, State of Florida approved, UL certified, and Texas Department of Insurance listed
- Pre-Primed… Ready to be painted with the existing wall color
- ENERGY STAR® (White Only)1
- Perfect Design… Virtually identical in size and shape to millions of old non-existent asbestos siding thins installed over the last 60 years
- Avoid Hassles & Expenses… Good for repairing or matching damaged asbestos siding without the expense of new siding for the whole house
- Easy Installation… After properly removing the old siding, simply nail the WeatherSide® siding in place and paint
- Pre-Primed… Ready to be painted with the existing wall color
- Meets Code… Miami-Dade County approved, State of Florida approved, UL certified, and Texas Department of Insurance listed

**Turbines**

The Master Flow® line offers the finest “energy-free” attic ventilators. Dual bearing turbines are:
- Backed by a Lifetime ltd. warranty**
- Internally or externallybracketed, 12” (305 mm) and 14” (357 mm) sizes
- Available in a large assortment of colors
- Miami-Dade County approved without storm caps (select models)**
- 9” (227 mm) and 12” (305 mm) sizes
- Matching Accessory List Available...
- Siding/Fascia Strips (2 ¼” x 8 ft., 6” x 8 ft., and 6” x 10 ft.)
- Boxed 350 (500 mm x 350 mm)
- Boxed 366 (600 mm x 366 mm)
- Boxed 381 (800 mm x 381 mm)

**Fiber-Cement Siding**

WeatherSide™ Fiber-Cement Siding contains NO asbestos
- Perfect Design… Virtually identical in size and shape to millions of old non-existent asbestos siding thins installed over the last 60 years
- Avoid Hassles & Expenses… Good for repairing or matching damaged asbestos siding without the expense of new siding for the whole house
- Easy Installation… After properly removing the old siding, simply nail the WeatherSide® siding in place and paint
- Pre-Primed… Ready to be painted with the existing wall color
- Meets Code… Miami-Dade County approved, State of Florida approved, UL certified, and Texas Department of Insurance listed

Self-Adhering Roofing Systems

“No Touches. Open Flaming Or Fumes!”

LIBERTY™
SBS Self-Adhering Roofing System

• Safer... Self-adhering membrane system eliminates the need for open
flames, torches, kettles, or dangerous chemicals
• No Fumes... Unlike conventionally applied systems, eliminates the fumes
and odors caused by hot asphalt or solvent-based adhesives
• Proven Technology... Based on the same technology used in GAF’s
commercial roofing systems—proven in the field for decades!
• Quicker Installation... Often 1/3 faster than conventional systems, with
minimal set-up or cleanup time
• No Extra Tools... No need to stage extra equipment
• Limited Warranty Included... Against material defects for up to 15 years*
• Extended Guarantees Available... Optional full-system guarantees against
manufacturing defects and workmanship errors available for up to 20 years**
• 7 Popular Colors... To complement your Timberline® Series or other
residential shingle roof

LIBERTY™ SBS Self-Adhering Base Sheet Specifications (nom.)

• Roll length is 66 ft. (20.1 m)
• Roll width is 39.375 in. (1.0 m)
• Roll size is 2 squares, 216 sq. ft. (20.1 m²)
• FM approved, UL classified, State of Florida approved,
Miami-Dade County approved, Texas Department of Insurance listed

LIBERTY™ SBS Self-Adhering Cap Sheet Specifications (nom.)

• Roll length is 34 ft. (10.4 m)
• Roll width is 39.375 in. (1.0 m)
• Roll size is 1 square, 112 sq. ft. (10.4 m²)
• FM approved, UL classified, State of Florida approved,
Miami-Dade County approved, Texas Department of Insurance listed
• CCRR-0142 Code Compliance Research Report

LIBERTY™ SBS Mechanically Attached Base Sheet Specifications (nom.)

• Roll length is 66 ft. (20.1 m)
• Roll width is 39.375 in. (1.0 m)
• Roll size is 2 squares, 216 sq. ft. (20.1 m²)
• FM approved, UL classified, State of Florida approved,
Miami-Dade County approved, Texas Department of Insurance listed

COLOR SHOWN: 100% Meadow Green

Note: Due to the inherent variability in
color of slate as well as the limitations of the commercial printing process,
the actual color and texture of your TruSlate®酡 will vary from that shown in this
catalog.

truslate.com
Advanced Quality
Professional installers have long preferred the rugged, dependable performance that only a GAF roof can offer, and have made our Advanced Protection® Shingles the #1 brand in North America!

- Inventors of the Timberline® Advanced Protection® Shingle—the #1-selling shingle in North America
- Rated #1 in shingle quality in the 2013 BUILDER® magazine Brand Use Study
- Named #1 in innovation for shingles by Home Builder Executive magazine in 2012 and 2013
- Named most-recommended brand by upscale remodelers in the U.S.
- First to pass ASTM D3161 Class F (110 mph) and ASTM D7158 Class H (150 mph) wind ratings on every manufactured shingle (per UL public listing)
- First to produce an energy-efficient asphalt shingle available in rich colors, called the Cool Color Series (now called Timberline® Cool Series)

Expertise You Can Count On
We’ve been at this for over 125 years. Why turn to anyone else to protect your most valuable asset?

- Manufacturing locations across North America—to serve you better
- C.A.R.E. installation training program that has provided education to over 180,000 industry professionals
- Regularly sought out to appear in leading home and garden publications and on home improvement networks such as HGTV

Solutions Made Simple
Getting a new roof shouldn’t be an exercise in pain and frustration. So we’ve made it easy!

- Our GAF Lifetime Roofing System includes everything you need to provide reliable, watertight protection for your home
- Our factory-certified contractors—more than 5,000 strong in the U.S.—eliminate the risk that your roof will be installed by some fly-by-night contractor
- Our industry-leading warranties—backed by North America’s largest roofing manufacturer—will provide you with the peace of mind you deserve
